My dear Sir:

Enclosed is a set of proofs of "Government Printing and Binding Regulations, No. 21, including some revisions proposed for the ultimate consideration and decision of the Joint Committee on Printing.

Your suggestions and recommendations relative to the revision of these regulations, including any corrections necessary to update the alphabetical and regional lists of department operated printing plants, are herewith invited and will be included in the subsequent Joint Committee review and action.

We will appreciate receiving your response not later than February 1, 1971. This will enable us to schedule a conference on February 11, 1971, at which departmental and committee staff representatives will discuss the proposed changes.

By direction of the Joint Committee on Printing.

John F. Haley
Staff Director

LLM:

The envelope the attached
was in was addressed to the
Director--we opened it because
we thought it was a hearing--anyhow
since it does require action do you
want to say where it should be sent?
I presume Printing Services-- or
do we not reply?
